Dear Colleague,

Teacher of Mathematics

Thank you for your interest in this post. We are currently hoping to recruit an outstanding teacher of Mathematics to join the Maths Department.

The High School Leckhampton opened to Year 7 in September 2021 on our temporary site at Balcarras School. In September 2022 we moved to our £30 million, state-of-the-art building at Farm Lane, Leckhampton where we welcomed a new cohort of Year 7 pupils. The school has expanded each year, and we will take a new cohort of 180 pupils into Year 7 annually, until it reaches a capacity of 900 pupils. From September 2025, we will have 750 pupils on roll in years 7-11, as follows:

Year 7 = 180 pupils
Year 8 = 180 pupils
Year 9 = 150 pupils
Year 10 = 120 pupils
Year 11 = 120 pupils

We are on a very exciting journey!

The High School Leckhampton is part of The Balcarras Multi Academy Trust, and we already work closely with Balcarras School. During our first year we were temporarily housed in a brand-new building on the site of Balcarras and shared several teachers and this close relationship has continued in year 4. Consequently, all applicants should look at the Balcarras Trust website for additional information about the ethos and culture of The Trust. Winchcombe School joined The Trust in November 2023 and subject networks are in place across all 3 schools.

At this time, we are looking to recruit a superb teacher of Mathematics, who will join our school. This is an exciting opportunity to work alongside our existing Maths teachers as we take our first cohort of Year 11 GCSE pupils into their exams in summer 2026. We are looking for an inspirational teacher and are prepared to consider both experienced and Early Career Teachers. All candidates should have an excellent track record of achieving, or the
